Our story opens with a girl walking home from school. As she turns
onto the bike path, which is the route she ussally takes home, she

"Damn" She thinks "Why must I always trip!" She starts walking down
the bike path in the direction of her house. She sees somthing
diffrent up ahead of her. "Hmmmmm.....those trees havent been that
green all year! And the flowers have seemd to multiply since
yesterday....How wonderful! Spring is here!" She thinks. As she walks
on she trips again As she looks up she sees the person who was
walking ahead of her dissapear. "Huh? wha! what happend" She thinks
"Where did he go!" "Ha Ha Ha Ha Come on sweetie, Arent you going to
keep walking? Ha Ha Ha Ha" Out of no where the most hideous creature
the girl had ever seen appeared "Ha Ha Ha Ha" And she had the most
hidious laugh to go along with her appearence. "Quck Kyranda
transform!" A little black kitty with an English accent and a cresent
moon on her forehead, cried out at the girl (Who's name we learned is
Kyranda) "Whaddya mean transform? Transform into what?" Kyranda asked
"Oh yes! I almost forgot!" The kitty said "Take this locket (The
kitty did a backflip) ans yell out Moon Prisim Power!" "Okay! Moon
Prisim Power!" Kyranda yelled out. The next thing she knew she was in
a short red skirt with a white bodysuit and blue bows on her chest
and back. "Okay" The kity yelled out "Now..." Kyranda interrupted the
kitty "I know what to do Luna! Moon Tiara Magic!" Kyranda yelled out
Her tiara flew out of her hand and made a direct hit with the evil

creature. The creature turned into a pile of sand "Moondusted"
Kyranda stated. Now how do I do transform?

diffrent than Serenas, the color of her skirt and bows

switched. She also had odango in her hair just like Serena.

"Wow my hair is so beautiful" Kyranda said " I wish it was like this
